About Pestana Hotel, Vila Sol & Gramacho Courses

The Pestana Vila Sol is a 5-star hotel in Vilamoura. It is perfect for those looking to take a family vacation and to relax with a round of golf or tennis, or simply take a dip in one of the swimming pools. It is located just 7 minutes by car from Vilamoura beach and 5 minutes by car from the marina.

The hotel offers one restaurant and 2 bars. You can also make use of the gym, indoor swimming pool and jacuzzi. Each room includes a private balcony or patio and has Wi-Fi and a flat-screen TV.

Currently with start point at tee one, the course is planned to give all visitors who come to play at Vila Sol Golf in the Algarve a course where the preservation of the natural environment is sharply in mind.

The scenario consists of a pine, almond and fig trees, plants, flowers, lakes and streams, which all add to the pleasure and challenge of completing 72 strokes at this championship golf course, making the experience unforgettable from first to last shot.

The Gramacho Golf Course was originally a nine hole course which has been extended and cleverly redesigned to become a fully fledged 18 hole course. A formidable challenge to its designer! The course covers undulating terrain with olive, almond and carob trees scattered when planted hundreds of years before by the previous local owners of the land. The Gramacho Course is designed for the player to be technically accurate and to know which club to select before hitting the ball.
